For courses in Corporate Finance

A balanced overview of financial management theory and practice

Finance is one of the key drivers of a firm's activities, and a critical component to understanding business in general. *Financial Management: Concepts and Applications* is designed to help students with no prior knowledge grasp the applications and relevance of finance. Author Stephen Foerster reveals the practical side of finance, rather than just its theoretical concepts, and shows how finance intersects with many other areas of business. Thoroughly integrated with the text, MyFinanceLab places personalized practice opportunities just a few clicks away and provides a truly interactive learning experience.

This program provides a better teaching and learning experience—for you and your students. It will help you to:

- **Personalize learning with MyFinanceLab:** This online homework, tutorial, and assessment program provides students the help they need, when they need it, and allows unlimited practice.
- **Encourage students to focus on the big picture:** A thematic approach helps students achieve a holistic view of how finance impacts many aspects of business.
- **Highlight applications of finance:** A strong emphasis on applications helps students see the relevance of finance, and keeps them interested in the course.
- **Foster thorough understanding via learning aids:** Various tools, throughout the text and at the end of each chapter, support students as they learn and review.

Bobby Gonsalves:

Playing with family in the park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Financial Management: Concepts and Applications, you are able to enjoy both. It is very good combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its called reading friends.

Irma Tijerina:

That publication can make you to feel relax. This specific book Financial Management: Concepts and Applications was colorful and of course has pictures on there. As we know that book Financial Management: Concepts and Applications has many kinds or category. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading that will.

Susan Frame:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Financial Management: Concepts and Applications can make you experience more interested to read.
